

DESIGN BY INGA SEMPÉ

HAY

MATIN WALL

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection
- A family of contemporary table, ceiling and wall lamps
- Elegant wall-mounted lamp with a steel wire bent frame, paired with a pleated cotton shade in different colours
- Shares the same shades as the table lamp variants and can easily be changed
- The head of the lamp has an adjustable angle to direct light up or down
- CE approved
- Integrated LED light source ensuring a life span of at least 25,000 hours of use
- Inline step dimmer
- Available in two sizes and suitable for both private and office environments

MATIN WALL DESIGN BY INGA SEMPÉ

Designed by Inga Sempé, the Matin Wall Lamp offers a contemporary yet poetic design, with a construction that combines visual delicacy with physical robustness. The head of the lamp can be angled approximately 45 degrees both upwards and downwards to create an ambient uplight as well as directional downlight. The wall-mounted design consists of a steel wire bent frame finished in polished brass with matte black hardware and is paired with a pleated cotton shade in two sizes with a variety of vibrant colours. The light source is an integrated LED, offering a diffused light which is accompanied by a digital in-line dimmer control to adjust the output of light if required.

Inga Sempé is a French designer who lives and works in Paris. A graduate of the Ecole Nationale Supérieure de Création Industrielle (ENSCI) in Paris (1993), she also took up a scholarship at the Villa Medici, Académie de France in Rome (2000 - 2001). She was awarded the Red Dot Design Award in 2007. Her work is known for a lightness of touch, for a strong personality and for a particularly tactile nature. The idea of everyday use is at the centre of Sempé's approach and she often seeks out materials with special properties to answer the need of a daily function. For HAY, she has created Matin and Mousqueton Lamps, Pandarine Sofa, and the accessories Pinorama, Ruban Mirror and Fonte Candleholder.

Height 38 kg

TECHNICAL SPECIFICATION

LIGHT SOURCE
Integrated LED, 5W, 150lm, 2800K warm white

DIMMABLE
Yes

POWER SUPPLY
220-240V AC at 50/60Hz

IP
20

CORD LENGTH
200 cm

SWITCH
Inline step dimmer. Located 50 cm from lamp base

TEST SPECIFICATION OUTPUTS

Photometrics and the test specification shown is taken using the integrated LED bulb fitted in the production luminaire

LUMEN (LM)
150lm

KELVIN (CCT)
2800K warm white

CRI (1-100)
85
