Design by Simon Jones

HAY

Triangle Leg Collection

Motivated by the desire to create more space around a circular table, Simon Jones designed the Triangle leg table and bench series. The rectangular ends of the tabletop and bench have been rounded, creating a sociable setting that maximises seating numbers around the table. Crafted in solid oak with an oiled or clear lacquer finish, this versatile series is suitable for a wide range of private and public dining or office environments.

TRIANGLE LEG TABLE

DESIGN BY SIMON JONES, 2017

Motivated by the desire to create more space around a circular table, Simon Jones designed the Triangle leg table and bench series. The ends of the rectangular tabletop have been rounded, creating a sociable setting that maximises seating numbers around the table yet keeping the shape compact. The triangular leg section creates the illusion of lightness and provides optimal compatibility with both square- and round chair legs. Crafted in solid oak with an oiled or water-based lacquer finish, this versatile table is suitable for a wide range of private and public dining or office environments.

TRIANGLE LEG BENCH

DESIGN BY SIMON JONES, 2017

Motivated by the desire to create more space around a circular table, Simon Jones designed the Triangle leg table and bench series. The ends of the rectangular bench have been rounded to match the table's organic shape, which was designed to maximise seating and create a sociable setting. The triangular leg section creates the illusion of lightness and enables it to be used alone or together with square- or roundlegged chairs. Crafted in solid oak with an oiled or water-based lacquer finish, this versatile bench is suitable for a wide range of private and public dining or office environments.
