A FLOWERY TOUCH

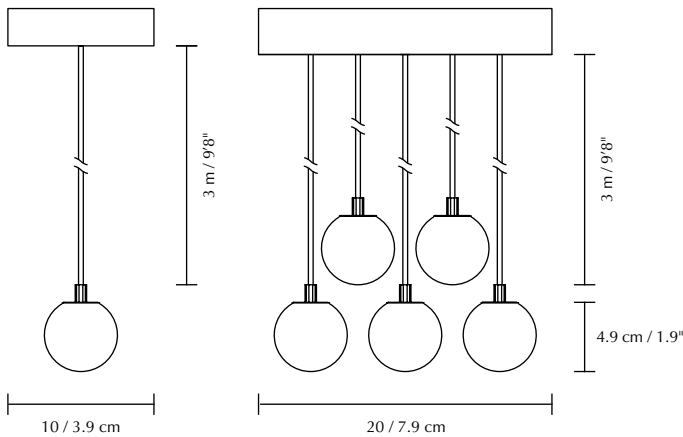

Pair the lampshade with our new black canopy cord sets, Rosette Mini of 1, 3 or 5 G4 sockets, enabling you to exchange for another lampshade or size over time – not being limited by trends coming and going. The Rosette Mini includes a white diffuser cap, that together with our new G4-suitable Idea bulb will ensure a glare-free illumination.

Use the Rosette Mini single for a simpler look or use the Rosette Mini cluster 3 or Rosette Mini cluster 5 to gather the lampshades into one beautiful bouquet. Hanging singular or in clusters Forget Me Not will add a Nordic and vital touch to your home.
